RE: COVID-19 Closure

Dear clients of The Peoples' Counselling Clinic;

Today the Province of Nova Scotia declared a State of Emergency and made more strict directions about social distancing and other measures meant to contain the COVID-19 pandemic. We have been closely monitoring orders from the Province and so far have not closed services. However, as of today we are no longer offering in person services to clients. We will no longer be accepting new referrals, either. Current clients will have the option of attending both individual and group services online or by telephone. Our therapists have the technology available at their homes to offer these services.

If you are in crisis, please call the Nova Scotia Health Authority Mental Health Mobile Crisis Team at 1-888-429-8167. For emergencies, please call 911.

We hope that we can all maintain our wellness as we move through this period. Our clinicians will continue to serve in the best ways we can.

Sincerely,

James Owen Dubé, BSc, BSW, MSW, RSW
Clinic Manager

Robert S. Wright, MSW, RSW
Executive Director
